

Hawera Aero Club
Patea Flying Scholarship

Conditions of application:

Candidates must be over 15 years of age.

Flying experience must be less than 5 hours of dual instruction

Candidates must reside in the South Taranaki District Council area

The value of the scholarship is \$2500 as a dollar for dollar subsidy for flying time and instruction.

Medical and Civil aviation fees are not included.

The scholarship is available for flying instruction with the Hawera Aero Club.

The scholarship is to be complete with in 24 months of being granted.

A trial flight at the applicant's expense is part of the selection process.

A selection committee the Hawera Aero Club will select the successful candidate from the applicants.

The successful candidate must obtain the appropriate licence and medical examination before commencing flying training.

Passing the medical requirements is a condition of the scholarship.

Successful candidates must be available for publicity work.

Applications close on 16th June 2011.

Applications are to be mailed to
